FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

Currently, Missouri's laws pre-empt the regulation of various fuels. This bill allows Jackson County and political subdivisions within the county to regulate the installation and placement of fuel storage tanks with a 48,000 gallon or more capacity.

The bill contains an emergency clause.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
